Breeders:

People interested in the welfare and breeding of purebred dogs founded the **World Kennel Club®**. There are thousands of purebred dog owners participating in the **WKC®** program. **WKC®** keeps up-to-date studbooks and a list of Breeders for the convenience of our members. This list is available for those who want to breed their dogs with another or someone wanting a new puppy for their family. Registration as a breeder with the **WKC®** does require that you agree to continue to breed pure when breeding.

If you wish to participate in our **Breeders Program**, please complete this form and return to **WKC®** along with a fee of \$20.00. This **Registered Breeder's Certificate** will be good for 2 years. When issued a **Breeder's Certificate** you will be added to our **Breeder's List**, which is furnished to our members upon request.
